PRESS RELEASE PP/AN-ARPR/RUD-RPR/No. 01/MAR/07

NO TO THE FORCED DEPORTATION TO RWANDA OF RUD AND RPR POLITICAL LEADERSHIP

The Joint High Command of the National Army IMBONEZA - the military branch of the Rally for Unity and Democracy (RUD-Urunana)- and the ARPR INKERAGUTABARA- the military branch of the Rally for the Rwandan People (RPR)- strongly condemn the forced repatriation from Uganda of some of the political leaders of our respective organizations. We equally rebuke the Kigali regime for recently publishing hit lists of opposition military and political leaders. We vigorously denounce the practice by the regime in Kigali to demonize every person that has the courage and the conviction to denounce the crimes committed by the ruling clique in Rwanda.

We draw the attention of Rwandan people and of the International Community to the fact that this disgusting and coward act does nothing but to reinforce our determination and demonstrate the legitimacy and the nobility of our struggle for Truth, Justice, and the genuine Reconciliation between all the components of the Rwandan society. These ideals form the foundation of the spirit of our valiant fighters. We send a solemn call to all Rwandans of good will to join and support our respective organizations so that we can all work together in rebuilding a Rwanda in which attaining these ideals is a reality.

Our struggle is not directed against individuals, but rather against the system erected by criminals that oppress and terrorize all the people: Tutsi, Twa, as well as Hutu. We reiterate our total readiness and determination to accompany the Rwandan People in the fight against discrimination, oppression, humiliation, and injustice to which they are subjected daily. We will not spare any effort to protect all Rwandans without distinction. We will do everything to deserve the respect of all the components of the Rwandan society.
